from its anarchic early days to its present dreams of world domination this is the untold story of burning man the most popular unique and

enduring countercultural event of recent times in which alternative lifestyle enthusiasts erect a giant statue and construct a temporary city to live in for about a week in the Nevada desert hundreds of thousands of people from all over the world have made the dusty pilgrimage to Black Rock City to take part in this experiment in participatory art gift culture and bacchanalian celebration and many say their lives were fundamentally changed by the experience this current look at the expansion of the lifestyle reveals how in recent years Burning Man has taken on a new character with the frontier becoming a real city and the many tribes of the event the fire artists circus freaks music lovers do gooders grungy builders and myriad other burner collectives developing a perennial presence in sister cities all over the world chronicling Burning Man's renaissance years from 2004 to the present this epic journey features some of the culture's most inspiring and colorful leaders and is a search for meaning in the most unexpected places

each August staff and volunteers begin to construct Black Rock City a temporary city located in the hostile and haunting Black Rock Desert of northwestern Nevada every September nearly seventy thousand people occupy the city for Burning Man an event that creates the sixth largest population center in Nevada by mid September the infrastructure that supported the community is fully dismantled and by October the land on which the city lay is scrubbed of evidence of its existence the archaeology of Burning Man examines this process of building occupation and destruction for nearly a decade Carolyn I. White has employed archaeological methods to analyze the various aspects of life and community in and around Burning Man and Black Rock City with a syncretic approach this work in active site archaeology provides both a theoretical basis and a practical demonstration of the potential of this new field to reexamine the most fundamental conceptions in the social sciences
